## NOTICIES:

### STUDENT MEMBERSHIP ON TWO NEW ADVISORY COUNCILS SOUGHT:

Applications are now available for students interested in serving on either the Entrance Advisory Council or the Student Development Advisory Council.

Both the Ramp project and the Management Report highlighted the necessity for improved communication and coordination of Mount St. Mary's College services to its students. The Advisory Councils are a response to that need. The sixteen members on the Councils act as advisors or consultants to the various offices which deal with the students. Sister Magdalen has specifically charged the two councils with priority items for the 1977-1978 Academic Year: The Entrance Advisory Council with recruitment; the Student Development Advisory Council with retention.

If you have ideas or interest in recruitment, retention, or college administration, consider applying for one of the four student memberships. If you have any questions, feel free to contact either Sister Mary Kathryn, chairperson for the Entrance Advisory Council, or Dr. Cheryl Mabey, chairperson for the Student Development Advisory Council. Application forms and further information are available in the Office for Student Development. Completed applications are due this Friday, September 16th in either the ASB Office or the Office for Student Development.

### FACULTY MEETING:

There will be a faculty meeting Monday, September 19th at 10:15am in the Campus Center; faculty are expected to attend and normally cancel classes scheduled during the meeting.

### DANCE:

A dance sponsored by ASB will be held on Friday, September 16th from 8:00pm to 12:00am in the Campus Center. The Gregg Thomas Show will be featured. Admission will be \$1.50.

### NEW ASWOCIATE DEAN FOR ACADEMIC SERVICES:

We are happy to welcome Sister Mary Kathryn Grant this fall to the position of Associate Dean for Academic Services. You may already have met Sister Mary Kathryn who is in Sister Mary Frederick's former office on the first floor of the Administration building.

Students and faculty in the baccalaureate program will be working directly with Sister Mary Kathryn who will have responsibility for the administration of the baccalaureate program on this campus. She will be working with such areas as student petitions, foreign study/travel, credit by exam, Independent Study/Directed Reading, honors, probation, etc. IN addition, she will be coordinating academic student services, working directly with Sister Jean Elizabeth Neumeier in the study skills program and with the Offices of Financial Aid, Registrar, Admissions and College Relations.

Sister Mary Frederick Arnold is reassuming a fulltime faculty position as Chairperson of the Department of Psychology this fall, but we are happy to announce that she will continue to coordinate academic advisement, scheduling, pre-registration, and Interterm.

### LEGISLATIVE ALERT:

All students should be aware of legislation pending in Sacramento which has a direct impact on your College. Whether you are a California State Scholarship award recipient or not, the fact that many of your contemporaries do receive aid via this program makes it possible for the Mount to keep its tuition as low as possible to the benefit of all.

Assembly Bill 528 (AB 528) proposes to increase the maximum amount of the State Scholarship Award to \$3200, and the College Opportunity Grant (COG) maximum to \$4200.

Each of you please write (but do not mail yet) an individual letter to Governor Brown: One letter each from a lot of people has a greater impact than one single letter signed by a large number of people. Urge his approval of and signature on AB 528. For a sample letter and the proper mailing address, drop by the Office of Development, directly across from the Business Office, Administration Building.

### STUDENT LIFE POLICY BOARD:

Student Life Policy Board reviews and evaluates policies that affect commuter and resident students. Mary Alice Godfrey and Natalie Harris are your elected representatives. Their office hours are Tuesdays and Thursdays, 3:00-4:30pm as of September 15th, in the Office for Student Development. Please come by for any questions or to offer policy suggestions.

### IMPORTANT REMINDER:

All students who have not yet turned in their slips for the Directory may do so in the Office for Student Development by September 16th. If anyone lost or misplaced their slips, extras may be found there also.

### ATTENTION:

All those interested in taking tennis and/or swimming this fall, please meet in the rumpus room at 4:30pm Monday, September 12, 1977, to decide class meeting time. (Tennis balls will be supplied).

### MAGAZINES:

Discount cards for subscriptions to magazines are available in the mailroom. Please feel free to take one.

As your representatives on the Student Life Policy Board we would like to give you some general information about our board and let you know how you can help us help you.

Our board looks over proposals brought to our attention and decides if there should be a change in any campus policies. The policies concerning both commuter students and resident students and are found in the Student Handbook.

Anyone, even you, can submit a proposal for a policy change. Some examples are the sign in/sign out policy in Residence and the evaluation of the Health Service.

If you have any complaints or suggestions for improving a policy we would like to hear from you. We'll help you write up a proposal for a policy change. Basically, it is a statement of a policy's drawbacks, suggestions for improvement and data to support the change (i.e., student polls, research from other colleges, etc.).

Our office hours are Tuesdays and Wednesdays from 3:00-4:30pm in the Office for Student Development. It is our hope that you will try to change complaints instead of merely speaking about them.

FACULTY, STAFF, STUDENTS, ADMINISTRATION

Come out of the closet!

Tired of the day-to-day routine? Is your creative mind in neutral or sitting half-forgotten in a closet or a bottom drawer? Here's a solution for you -- may even earn you some money and notoriety!

The Mount Festival, "The Creative Mind: From King Tut to 2002," scheduled for the week of November 13, includes the Creative Mind Contest. Some know it as "The 'We Do Have Grey Matter' Contest." \$10 awards will go to the first prize winners in eight categories: 1) short story, 2) poetry, 3) non-fiction essay, 4) 35mm. photography, 5) all other photography, 6) crafts, 7) painting, and 8) drawing. As many as two honorable mention awards of \$5 each will also be awarded in each category. The coordinators reserve the right to recognize a creative entry which is suitable for exhibition, yet fails to fall in a conventional category. In other words, don't let our categories inhibit you.

What do you do to see some of the loot and to get your creative mind's contribution in lights?

By November 7, haul your (never before prize winning) entzies out of the closet and into the eager hands of contest chairperson Katie Pugel (Chalon Campus senior), Sister Miriam Therese Larkin (Chalon Campus), Janice Robinson (Chalon Campus junior), or Sister Joseph Adele (Doheny Campus). We suggest that all written entries be typed and accompanied by a separate title page listing your name, address or room number, and telephone. Please attach similar dog tags to all other entries. Enter as many times and in as many categories as you wish.

A panel of esteemed experts will judge the creations. Winners will be announced Thursday, November 17, at noon. The last four days of the festival will find your treasure on exhibit at the Chalon Campus.

Review and submit your creations and find yourself a winner (and out of the closet)!

Exhibited are works by photographers who have utilized or incorporated within their art references to what were formerly regarded as "painterly" concerns; and second, works that carry the painting references but have included "camera" imagery or processes as an integral part of the finished piece. This exhibition focuses on eight artists who have moved outside the traditional media boundaries, while at the same time maintaining the basic integrity of their primary discipline. Rather than a rejection of past values, the work shown represents a response to the aesthetic concerns of our times, and a search for contemporary, relevant language. All are welcome.

FOREIGN STUDENTS:

The Immigration and Naturalization Service wishes to remind non-citizens of the United States that during the month of January they are required to report their current address on Form I-53, Address Report Card. #### QUESTIONNAIRE:

As we look ahead to plan the weekend of Honors, Baccalaureate, and Graduation, we want to respond to the many people who would like to see the schedule of these events rethought.

An Ad Hoc Committee, appointed by the Dean for Academic Development and composed of students, faculty, and administration from both campuses, met in December to discuss various possible ways of changing the timing of these events. The Committee now needs your ideas and opinions. We have put together several models of an Honors-Baccalaureate-Graduation schedule, together with some questions we would like you to respond to, before the committee sends its recommendation for change to the President.

The questionnaire is attached to this bulletin. If you have a personal or professional interest in the Graduation weekend, please take a few minutes to fill out the questionnaire and return by January 20, 1978 to Sister Mary Williams (box #55 on Chalon Campus, mailbox in Building 10 on Doheny Campus).

Basic to all our thinking is the determination to keep our Mary's Day, Laurel Day, Baccalaureate, and Graduation as impressive and beautiful as they have always been. Our effort is to help more people attend (e.g., parents who live at a distance who cannot travel to Los Angeles for two successive weekends) and to make changes for the purpose of improving the celebration and honoring of our graduates.

Committee members are: Sister Mary Williams (Chairperson), Sister Kathryn Grant, Dr. Mabey, Sister Leo Francis, Sister Marie Loyola, Mrs. Rita Veatch, Sister Miriam Therese, Sister Mary Frederick, Sister Teresita, Diana Mariscal, Susie Schelling, and Kathy Hunter. (This committee is not to be confused with the Graduation Committee which will be appointed in February to plan and direct baccalaureate and graduation events.)

# around town....

## NOTICES:

### ATTENTION RESIDENT STUDENTS:

Upon your return from your relaxing, refreshing, and otherwise enjoyable Interterm Break, we'll have a new system replacing the current Sign In/Out and Leave Policy.

Becoming effective on February 6, 1978, is a system with the following measures:

1. The student who is a legal adult will be responsible for determining her own hours. Students under 18 will have a personal responsibility to comply with the hours determined by their parents and themselves.
2. The Residence Desk hours will remain the same: 9am-12 Midnight, daily.
3. In place of the guards having to check names off a list, girls returning to the Mount after the desk closes will be required to present their ID cards to the guard at the bottom of the hill and at the mailroom door. Since every full-time Mount student is issued an ID card and should presumably be carrying it with her when off campus, this should prove to be an efficient and effective system.
4. For family emergencies there will be voluntary sign out cards kept at the Residence Desk.

There are two points of major importance in the new system. First, it is imperative that everyone carry their ID cards. You will not be admitted to the dorms without one. Second, the voluntary sign out cards can be a valuable aid to you in case of an emergency and it would be advisable to use them at least when you'll be gone overnight. You will be able to leave information about your whereabouts in a sealed envelope at the desk and specify those who may have access to it if you wish. If you have questions, please stop by the Office for Student Development.

### CAMPUS MINISTRY NEWS:

There will be no 7:30pm Mass on Sunday, January 22nd. January 18th-25th is Prayer for Christian Unity Week.

### MONTE CARLO NIGHT:

Mount Alumnae will be sponsoring a Monte Carlo Night on Tuesday, January 24th beginning at 7:30pm in the Campus Center. There will be blackjack, roulette, bingo, and other games. Prizes will be given including cash! The admission charge is \$1.00. All are welcome to this evening of fun and excitement!

### REGISTRATION INFORMATION:

Spring Registration for all students will be on February 6, 1978 in the Little Theatre from 9:00am-12:00pm and from 1:00pm-4:00pm. Late registration begins at 4:00pm.

Avoid long lines! Pay your tuition before Interterm ends. All students who have paid in full may pick up their receipt in the Business Office January 26th or 27th and go directly to the Registrar's line on February 6th.

### ATTENTION COMMUTERS:

If you want to carpool with other students, sign-up at Registration on February 6th. Also, if you need a locker, one can be obtained at that time.

Interested in helping others? Like to work with people? Then the Student-to-Student Assistant Program may be for you. A one-unit workshop to train assistants to help new students with their academic transition to the college and feeling at home at the college--Chalon campus--will be offered during the Spring Semester. Topics covered in the workshop are: interaction skills (listening, interview and feedback techniques, role-playing assertiveness training); confidentiality and the Buckley Amendment; time management and lifework planning. Training would prepare you to work with new students--interpreting college policies and procedures; alerting new students to what services, assistance, support programs, etc. are available; helping new students find their way around the college, through the course listings, through the catalog, and through registration details. For an application contact the Office for Student Development, and for further details call Dr. Cheryl Mabey or Sister Mary Kathryn Grant.

## SPRING SINGS WITH TALENT FROM THE MOUNT:

The stage is set, lights are dim and the full house packed into the Little Theater quiets down. The music begins it's downbeat and suddenly your world is blinding by dancing spotlights around you. "If they could see us now, that little dusty group, strutting 'round this million dollar chicken coop, and rubbing elbows with the cream of the crop-- whoever said there ain't no room at the top?" This is the theme of Spring Sing '78--"If Our Friends Could See Us Now." We invite students, faculty and administration as individuals or in groups to set their ideas and talent in the limelight on the stage of the Little Theater. How about a scene from Shakespeare, a Carol Burnett comedy sketch, the cantina scene from Star Wars in dance or a pantomime of Bad, Bad Leroy Brown? The ideas are endless but the time is limited!! Act Description Sheets are available in the Office for Student Development, Mailroom, 2K2 or 304 and MUST be returned to Cindy Burns or Evelyn Javier (Box 229 or 364) no later than March 10, 1978. # around town....

Welcome back!! The new term has begun and the next several months are sure to be full of assignments to be done and papers to turn in. When things get hectic be sure to take free time for yourself and have some FUN!!! Here are a few ideas of really worthwhile events in the nearby area:

THE PERFORMING ARTS AT UCLA Saturday, March 4th at 8:30pm, George Sakellariou will be performing at Schoenberg Hall, a must for all lovers of classical guitar. Mr. Sakellariou is a remarkable young Greek guitarist, widely acclaimed for his "finesse, taste, and uncommonly warm sense of sound." What could be more appropriate than to begin the term by seeing that crazy, crazy new movie that was filmed right here at the Mount this past summer? That's right, High Anxiety with Mel Brooks. Let your frustrations go and enjoy the show! Westwood UA Theater, 477-0575.

THE THEATER The Interterm Shakespeare class highly recommends that all lovers of Shakespeare attend The Globe Playhouse performance of "The Winter's Tale." The atmosphere is truly Elizabethan in architecture as well as spirit. 1107 North Kings Road, 650-0208.

ART MUSEUMS County Museum of Art (5905 Wilshire Blvd.) "Private Images: Photographs by Sculptors," through March 5th; "Textile Traditions of Indonesia," some 200 late 19th and early 20th Century textiles, ends March 26th. Mount St. Mary's College is considering the possibilities of expanding its internship experiences and of developing a cooperative educational program.

Both internships and cooperative education experiences are opportunities: to apply theoretical knowledge and skills to an actual professional work experience; to test out career opportunities; to improve the quality of jobs available to you after graduation; and to enable you to earn money to finance your education.

An INTERNSHIP is a work experience which may be with or without academic credit; paid or volunteer; on campus or off campus; and fulltime or part-time.

A COOPERATIVE EDUCATION experience is paid; off-campus; fulltime or part-time; with or without academic credit.

We need your input to assess student interest and to set our goals. Would you please take a few minutes to complete the following questionnaire. Even if you are not interested, we would like to know.

MOUNT  
St. MARY'S  
COLLEGE

TO: All Students and Employers  
FROM: The Financial Aid and Student Placement Offices  
DATE: March 3, 1978

This year we are again establishing procedures that will facilitate early clearance of students eligible to work on campus next year. We are asking that all employers complete the Student Personnel Requisitions that have been sent to them, and to return them to the Student Placement Office by April 1. In addition, all students interested in working on campus at any time next year must do the following:

1. Fill out a job application (available in the Student Placement Office).
2. Fill out an FAA (Financial Aid Application), available in the Financial Aid Office.
3. Fill out an FAF (Financial Aid Form). If you are currently receiving a California State Scholarship or Grant this form will be sent to you. Otherwise you can pick one up in the Financial Aid Office. Make sure that:
  - a. you check Boxes # 83 and 84. By doing this you will be automatically applying for a BEOG (Basic Educational Opportunity Grant).
  - b. you indicate, under #81 on the FAF, that you want a copy of the FAF Report sent to MSMC.
4. You must file a copy of your parents', and your (if applicable), 1977 1040 (Income Tax Return) Form in the Financial Aid Office by April 1.

Even if there is only a slight possibility that you will be working on campus next year it is better to do the paperwork now and avoid the hassles later on. Also, you should not automatically assume that you will not be cleared. If you do not have as much financial need as others, you will be placed on a waiting list, and you will still have a fairly good chance of being placed in a job.

We realize that there is a lot of paperwork involved. We are asking you to keep in mind that on-campus jobs are an integral part of financial aid, and that the number of forms to be completed, etc., is determined by federal regulations. If you have any questions, please do not hesitate to ask either Mary Ann O'Brien or Sr. Jeanne Anne in Financial Aid, or Joan Cashion or Julie Candelaria in the Student Placement Office. These offices are all located on 3rd Floor Humanities. Thank you for your time and your cooperation.

The Student Board positions reflect a variety of interests and serve a wide spectrum of student needs. Each of the Board members has established and defined responsibilities but also has the option of initiating new activities in response to student interest and Board planning. Would you like to know more? Look for us in the Campus Center on Tuesday, April 4th and Wednesday, April 5th from noon to 1pm. We like what we're doing and we want to tell you about it . . .

The Student Board is composed of four executive officers--President, Vice-President, Secretary and Treasurer and five standing committees--Social, Recreational, Academic/Cultural, Service and Campus Ministry. In addition, there are the Communications Chairpersons, the Commuter Student Representative and the Resident President. Many of the Committees exercise the option of electing co-chairpersons for a particular board position.

We are seeking enthusiastic people who are willing to devote the time and energy required of individuals in ASB positions. ASB experience adds an exciting dimension to college life and develops valuable skills such as planning, organization and leadership.

JUNIORS:

Junior Class elections will be held next September because of the confliction of other elections this May and also due to the lack of response from students.

GET RELIEF:

Papers, tests, presentations, final exams--it all spells--ANXIETY. You're never alone in facing the onslaught of the consecutive, never-ending trials that climax during finals week. Seek out and discover the Christian Fellowship on Monday, at 3:30pm in Brady Parlor. A session of sharing and prayer will cover such topics as finals, procrastination and other escape tactics, summeritis and the senioritis experienced by all classes. Find out what the Bible has to say about all this and more. All faiths welcome.

RESIDENTS STUDENTS: WE NEED YOUR HELP:

The capacity of the residence halls is 315 students. The number of paid deposits of returning students are: 56 seniors, 83 juniors, and 82 sophomores for a total of 221. The Admissions Office has estimate that 134 incoming Freshmen and 20 transfers will request accomodations in residence. The problem is that there are 375 requests for living spaces in residence with only 315 actual spaces.

For the past two months, the Office for Student Development and Residence Staff have been and will continue to explore options, but no panacea is apparent yet. We need your help, ideas and cooperation.

Any resident student who really does not prefer to live in residence, will do the College a great favor by exploring Off-Campus options.

The Office for Student Development will operate a updated-weekly apartment referral system beginning June 1st and continuing throughout the summer to assist any of you. Currently the Office for Student Development has several apartment/homes available to rent for the summer and/or fall.

In addition, the Office for Student Development operates an expanding Off-Campus housing program in which the student exchanges up to 15 hours per week working for a family in exchange for free room and board.

The Office for Student Development will be only too happy to further assist you. Thank you.

WOMEN'S LEADERSHIP DINNER:

The Women's Leadership Dinner will be held on Thursday, May 18th at 5:30pm at the Matador restaurant. Transportation details are in the Office for Student Development.

ATTENTION:

Congratulations to the new members of the Commuter Council 1978-79: Michelle Rice--Secretary/Treasurer; Alice Bledsoe--Social; Gina Poli and Mary Lim--Communications. Due to the limited applications received for the Commuter Council, speeches and elections were cancelled.

Anyone who is interested in working on the Commuter Chronicle staff for next year, please contact Judy Will (box W in Campus Center).

FROM THE CAREER PLANNING OFFICE:

The Office of Student Activities, Stanford University, is currently searching for an individual to fill the position of Student Activities Advisor. FINANCIAL AID INFORMATION:

Results of financial aid questionnaire--again thanks to the 178 students who completed this questionnaire. The rate of return was over 50% and this is an excellent response. The questionnaire was used to test the following hypothesis: "There is no significant difference between the attitudes and activities of Mount St. Mary's College undergraduates at the Chalon Campus who receive a financial aid package with no "self-help" and Mount St. Mary's College undergraduate students at the Chalon Campus who receive a financial aid package which includes "self-help" in the areas of: General Satisfaction with College, the College Environment, Notable Experiences and Religion". "Self-help" refers to work on campus or loans.

The results indicate that there is no significant difference in attitudes and involvement in college, community and religious activities between students who are given "No Self-Help" packages and students who are given "Self-Help" packages. This is an important result to have validated because it can be useful in policy making on types of packaging and it can also be useful in soliciting additional scholarship funds. The results of this study indicate that just because students work more or borrow more, their attitudes and level of activity involvement are not necessarily different from those who receive all "free money".

WANT TO SELL YOUR BOOKS?

Your student Bookstore will be offering the service of the Used Book Company beginning Monday, May 22 - Friday, May 26th. Time: 9am-4pm.

The most important thing to keep in mind when deciding whether or not to sell your books is its value to you now and in the future. Ask yourself before you make the decision, "Will this book be of value to me in the future either as good reference material or as pleasurable reading material?" If you honestly believe that a book will be valuable to you in this way, then you should seriously consider keeping it for your library. A big mistake many students make is to use the original price they paid for the books as the main criteria in making the decision whether or not to sell their books. The original price you paid for your book should become irrelevant to you when you compare the value to you now and in the future to the cash you can receive now for other purchases or savings, etc. Do not fall into this trap. More than likely you will end up with you library stacked with useless, non-resourceful materials. Be assured that if you use the criteria of value to me now and in the future, your decision to keep or sell your books will be much more beneficial to you.

This questionnaire is to help the 1978-1979 editor of the View put out material YOU will be interested in reading. It will also help us evaluate this year's View. Please return this to box 159 by Wednesday, May 17.. Thank you.

Do you feel the View provided opportunities to express your opinions in editorials? If yes, did you ever take advantage of the opportunities? If no, why not?

What do you think of the editorials printed? If they lacked anything, what was it?

What do you think of the articles printed? If they lacked anything, what was it?

Would you be interested in working on the View next year? Why? Why not?

Do you enjoy reading personality sketches?

Do you feel the news printed was news worthy? If no, what type of news would you have liked to have read?

Do you enjoy reading film reviews?

Would you have liked to see more photographs accompanying articles?

Would you like to see next year's View changed to newsprint?

Would you like to see more "off-the-hill" news printed in the 1978-79 View?

What do you think the purpose of the View is? In your opinion, what should the purpose be?

#### PREREGISTRATION INFORMATION:

Pre-registration for the academic year 1978-79 will take place April 18-21 for all returning students. Every student (unless she is graduating in May) should set up an appointment with her academic advisor sometime during these dates in order to discuss academic plans for 1978-79 and to make course selections. Please plan to see your advisor even if you do not intend to return to the Mount next year, and make this known.

Your advisor will give you student request forms and specific directions at the time of your appointment. You will be given priority numbers (for getting into limited classes) on the basis of the time your request forms are completed and deposited in office H328, so it is to your advantage to see your advisor as early as possible.

If you are a sophomore, you should continue to see the advisor you've had this year, but if you have specific questions related to your major, you should check these out with the chairperson of the department into which you'll be moving next year. During the summer, your advisement folders will be shifted to the department in which you plan to major.

Since the pre-registration will be coordinated with the registration process next year, it is important that you make firm decisions now; this will greatly simplify your actual registration (in September for the Fall term; in November for the Inter-term; in February for the Spring term). You will be expected to keep the schedule you sign up for now unless some emergency arises.

URGENT APPEAL:

This comes as a note of urgent appeal! As our College enrollment and housing projections for next Fall take firmer shape, we realize that the residence hall overflow we experienced last year promises to be three to four times worse this Fall.

This I write to ask you for any help you can offer us. Do you know of a home/homes in which students could live? Apartments we could lease? Off-campus housing in any form we could obtain? We would be happy to insure, document for tax purposes, or make any other arrangements that would be helpful to the owner.

Please contact me if any possibility at all comes to mind. These are very good students and we'd love to have them as Mount students.

Thank you so much, Sr. Magdalen.

ATTENTION COMMUTERS:

Applications to be elected to the Commuter Council go out Monday afternoon. Pick one up with the COMMUTER CHRONICLE or in the Office for Student Development.

This topic will be discussed in factual, contemporary terms with the added emphasis of a Christian perspective on Monday, May 1st at 3:30pm in Brady Parlor. ## NOTICES:

### JUNIORS:

The Sophomore Class (Class of '80) would like to apologize for any inconvenience it has caused to the Junior Class (Class of '79) by last week's BULLETIN announcement postponing elections until the fall. We put the cart before the horse in calling ourselves Juniors before the end of the semester, and are sorry for causing the confusion we did.

### SUPPORT DISARMAMENT---TUESDAY, MAY 23rd:

The United Nations Special Session on Disarmament opens Tuesday, May 23, 1978. The Mount will join in that effort to grapple with the escalating arms race by providing a day of prayer and fasting. Join in the 4:45pm Mass for Peace and Justice on Tuesday (Chapel) and in the soup supper afterwards. Offer your exams and hours of study for peace and unity.

### NOTICE TO STUDENT EMPLOYEES:

BE SURE THAT YOUR TIME CARD IS IN THE BUSINESS OFFICE ON OR BEFORE May 29, 1978. Checks will be available in the Business Office on Friday, June 2nd. If you would prefer to have your check mailed, please leave a self-addressed, stamped envelope in the Business Office before you leave.

### JUNIORS NOW---SENIORS NEXT WEEK:

Due to mass confusion between the Juniors-to-be and the Seniors-to-be, the elections for next year's Senior Board will be held next fall. Sorry for any and all inconveniences!! Plan ahead because we need YOU in September!

#### FINALS WEEK PRAYER SESSION:

There will be a special prayer session on Monday, May 22 at 7:30am in Brady Parlor. Let's calm those last minute nerves and surrender our tests, summer plans and future unto the Lord. As Christians we can stand firm in God's promise that "all things are possible through Christ who strengthens us!" Everyone is invited regardless of faith, class, major, age or sex.

#### CONGRATULATIONS:

Congratulations to the 63 newly initiated members of Pi Theta Mu 1978-79, and to their officers: President--Dee Dee Rivas; Vice President--Ramona Potts; Secretary-Historian--Rosalind Mendoza; Team Leaders--Brynnette Ramil; Leonor Sanchez; and Tamia Lashley.

#### GIGANTIC END OF THE YEAR BOOKSTORE SALE:

During the last week of school, the Student Bookstore will have a gigantic sale. Never before have we offered everything in the store at a 10% discount. Everything will be on sale at 10%. This is our way of saying "thank you" and wishing you a relaxing summer. We will look forward to seeing you, best of luck to you on your finals.

#### SENIORS:

A limited number of graduation announcements and invitations are still available at the Student Bookstore at a price of \$.33 each, plus tax. They will continue to be available while quantities last.

Caps and gowns can be picked up at the Student Bookstore beginning Wednesday, May 17th. Please be sure to return them immediately after the graduation ceremony to the Student Development Office and be sure that Pam checks your name off the list.

I would like to take this opportunity to congratulate each and every one of you as your undergraduate college career comes to a close. It has been a pleasure working with you during your years at the Mount, and I wish for all of you an abundance of success and happiness in your future endeavors. Best of luck always, Pam and the Bookstore staff.

#### WANT TO SELL YOUR BOOKS????

Your student bookstore will be offering the service of the Used Book Company beginning Monday, May 22 - Friday, May 26. Time: 9am-4pm. Points to think about before you make the decision to sell your books: the most important thing to keep in mind when deciding whether or not to sell your books is its value to you now and in the future. Ask yourself before you make the decision, "Will this book be of value to me in the future either as good reference material or as pleasurable reading material?" If you honestly believe that a book will be valuable to you in this way, then you should seriously consider keeping it for your library. A big mistake many students make is to use the original price they paid for the books as the main criteria in making the decision whether or not to sell their books. The original price you paid for your book should become irrelevant to you when you compare the VALUE to you NOW and in the FUTURE to the cash you can receive now for other purchases or savings, etc. Do not fall into this trap. More than likely you will end up with your library stocked with useless, non-resourceful materials. Be assured that if you use the criteria of VALUE TO ME NOW AND IN THE FUTURE, your decision to keep or sell your books will be much more beneficial to you.

#### HORIZONS '78:

We are pleased to announce plans for Horizons '78 to be held September 27th. Elizabeth Sewell, distinguished poet and educator will address the subject "The Value of the Liberal Arts in Human Life." Please make a note in your calendar--we urge your participation in this all-college convocation. In addition to the September 27th convocation, plans are under way for evening conversation hours in the homes of faculty members and poetry-reading sessions; Horizons activities will continue through September 29th. More details on Horizons '78 will be provided soon.

#### TO THE CLASS OF 1978:

Congratulations and future success, graduates!!! From the Office for Student Development.

## FINANCIAL AID INFORMATION

IMPORTANT REMINDERS AND INFORMATION

1. Student Eligibility Reports from BEOG - ALL THREE COPIES - should be sent to the Financial Aid Office as soon as they are received. If corrections are to be made on them, DO NOT SEND us any copies until the final determination is made.
2. SUMMER ADDRESS - if you will not be at the address that you submitted on your renewal application, be sure to leave a summer address with us. There will be a deadline date on each award letter and award letters not signed and returned by the deadline will be cancelled and the campus based funds and the MSMC funds will be given to other needy students.
3. AWARD LETTERS - students who had complete financial aid files by the deadline of April 1st (April 15th for State Grant recipients) will receive award letters by May 31st. Renewal State awards on these letters will be estimated. The balance of the renewal award letters will be completed during June and July. AWARDS ARE NOT FINAL UNTIL 2nd SEMESTER GPA's ARE VERIFIED. Students with GPA's below 2.0 are not eligible for renewal of MSMC or government funds. State Scholarship renewals will be announced on July 7th - after that date, awards will be finalized and revised when necessary.
4. PACKAGING - this year one application made the student eligible for any type of funds that are available through MSMC - this includes government funds and college funds. The packaging process will be as follows:
  - a. 1st Round - all students who met the deadline (March 1st for incoming students and April 1st or 15th for renewal students) were packaged first - in NEED order - students with the greatest need first, and so on.
  - b. 2nd Round - all students who had complete files by May 9th - were included on the computer listing of needy students and will be funded in the second round with available funds. MANY FUNDS WERE USED UP IN THE FIRST ROUND.
  - c. 3rd Round - students who completed their files after May 9th will be funded in need order with the funds available.

This year many students will be awarded a Federally Insured Student Loan as part of their package. If this is a new loan, you will receive information on applying for it during the summer. The State is taking over this loan program in California and we will be receiving new forms. If this is a renewal loan, you can pick up the applications in the Financial Aid Office. Most banks will not accept the applications until the middle of June.

5. REGISTRATION - there will be one less line to stand in for registration. Students receiving government funds will not have to come to the financial aid office for clearance and the half-sheet. The business office and financial aid office have worked together to combine the award letter and the half-sheet. Students having loans will have to make an appointment with the Government Reporting Officer to sign the promissory notes, but YOU WILL RECEIVE A LETTER DURING THE SUMMER with complete information regarding this.
6. FINAL REQUEST - there are still students who have not submitted renewal paperwork. NO CONSIDERATION WILL BE GIVEN FOR ANY CAMPUS BASED GOVERNMENT FUNDS OR MSMC FUNDS UNTIL ALL PAPERWORK IS ON FILE.

THE FINANCIAL AID OFFICE WILL BE CLOSED THE FIRST TWO WEEKS OF AUGUST. HAVE A HAPPY!

Mary Ann O'Brien  
Director of Financial Aid
